Governor’s Budget Proposal CSU Adjustments Language:

- Ongoing Base Growth—An increase of $199 million ongoing General Fund, which represents an increase in base resources of five percent, with the expectation that these funds will be used to support the University’s operational costs, expand student access, and support continued progress toward achieving the goals of the Graduation Initiative 2025.

- Expanded and Continuing Education—An increase of $6 million one-time General Fund to support the development and expansion of degree and certificate completion programs, with an emphasis on online programs.

- Summer Financial Aid Program—The Budget shifts the suspension date for the CSU Summer Financial Aid program from December 31, 2021 to June 30, 2023. The suspension would be lifted if the Administration determines through the 2023 Budget Act process that there is sufficient General Fund revenue to support all suspended programs in the subsequent two fiscal years.

Strategize Committee Work for the Spring Semester (20 Minutes)

- **URPC Charge**
  - Lead the campus effort to develop a balanced three-year budget through 2021-22 which will include $5.4 million in reductions and submit the URPC’s recommended three-year budget plan to the President for consideration by December 2019. It is acknowledged this will be challenging work and I am confident this committee is best situated to lead this critical effort. Please ensure broad campus communication and participation are included in the development of this plan.
  - In partnership with the Integrated Assessment, Planning and Budget (IAPB) group, please develop and formalize the process for areas receiving resource allocations to complete and share assessment results with the URPC.
  - Finalize the strategic asset guidelines previously drafted by the committee and submit to me for approval prior to the end of the academic year (continuation from URPC’s 2018-19 charge).
  - Continue to enhance communication strategies with the campus community to improve transparency, awareness, and understanding of the budget (continuation from the URPC’s 2018-19 charge).
  - Discussion of the committee work that occurred over the fall semester and where to focus the work for the spring.

Establish Next Steps

- **Strategic Asset Guidelines Initiatives** will be sent out to committee for review and input
